It has always been a priority of ours to maintain an ethical and humane relationship with everyone involved in the sporting world 🏆 athletes, clubs, federations, and retailers. It has always been a cornerstone of everything we do.

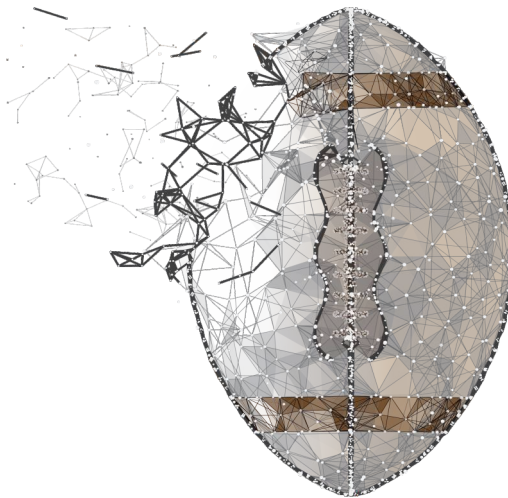

We constantly monitor our products to ensure they meet our high quality standards. It is for this reason that we have committed ourselves to manufacturing clothing that meets the highest quality standards since 2009. In light of the challenges that are before us, we feel it is important to walk alongside those like you and us who have a passion for sports in life.

This road, our road, we'll continue this journey with confidence.

We want to provide a platform for sports enthusiasts to come together and share their experiences. We will strive to create an environment where everyone can participate, grow and develop. Our mission is to bring the joy of sports to all.

customization has no Limits. So we're !

ORDER TRACK | TRACE SYSTEM™

Creating a bespoke team order has never been easier; our iA platform handles every step digitally; some key features of the system.

myDesign:

24/7 bespoke design help.

Create order through finalized design.

Online chat system.

myOrder:

seamless order process.

artwork, logos, team roster digital uploading.

digital invoice and ac ledger.

multiple payment options, ACH linked with all the US banks through Stripe.

buy now pay later option.

multi payment options.

notifications for each process step.

real Time production updates.

each garments has barcode details.

digital complete packing lists.

online shipment tracking.

dispute resolution system.

add ons with simple few clicks.

myQuote:

instant prices quotes

process quote for artwork or placing order.

save it, for future orders.

MAGIC WINDOW

The screenshot displays the XROADS SPORTS, U.S. iA platform interface. At the top, there are three summary cards: 'ORDER IN PROCESS' with a count of 1, 'ACCOUNT BALANCE' of \$2,210.00, and 'MONTHLY ORDERS' with a count of 3. Below these are three main action cards: 'My Order' (Ready to start your order? Create one from an instant quote or from scratch. After ordering you'll fill out roster details, pick your designs and in 3-4 weeks get your order.), 'My Design' (Customization has no limits! Let's get personalize & imaginative ideas into action. Fill out a design request and get your design within 24 hour time. You can save designs & order whenever you're ready), and 'My Quote' (Wants a quick price check before you order? You can get a quote in just a few clicks. XROAD makes it super fast to get a design for your quote, and to turn your quote into an order.).

The 'Recent Orders' section features a table with the following data:

ORDER	TEAM NAME	PRODUCT	STATUS	TOTAL	ACTIONS

Spandex knitted Fabric/ Embossed EVA Foam

- Spandex & EVA foam used to make this padded helmet, which is quite breathable and comfortable.
- EVA foam is abrasion- and dirt-resistant. Lightweight, soft.
- Soft helmet provides maximum head protection.
- Adjustable chinstrap & elastic rear laces. Foam also absorbs shocks and protects the head in case of impact.
- Protective helmets prevent sports injuries.
- Enhanced 3D ear design not only protects ears, but also allows better communication.
- Excellent shock absorption, pressure relief, moisture transport, sweat release.
- Hot air escapes through a cavity at the top and ventilation holes on the surface.
- Suitable for outdoor sports including rugby, soccer, flag soccer, 7v7, lacrosse, hockey, skateboarding, roller skating, Brazilian Jiu Jitsu, etc.

Helmet Size: AS/AM 6 3/4 - 7 1/8
AL/AXL 7 1/4 - 8 1/4.
